Vinification

The grapes are pressed in an inert environment and then fermented in stainless steel with a temperature between 14 and 15°C. It rests for 4 months on the fine lees before bottling, and two months in bottle before release.

Alcohol content: 12,73% vol

Total acidity: 5,65 g/l

Residual sugar: 1,9 g/l

Dry extract: 23,5 g/l

PH: 3,27

The **Lugana DOC Oasi Mantellina** is a white wine with a great tipicity. The great sapidity and freshness encounter the aromatic complexity of this wine with jasmine, white peach and bergamot aromas. The sip is fresh, long with a return of citrus and ripe fruit sensation in the aftertaste.

The 2025 vintage was marked by a complex yet overall favorable climatic pattern, requiring constant attention and well-timed decisions in the vineyard. Adequate winter rainfall ensured good water reserves, while a cool and unstable spring promoted gradual vegetative growth and excellent grape health. Following an early summer period with high temperatures, weather conditions stabilized, providing optimal support for veraison and ripening. Late-season temperature fluctuations and the positive response of hillside vineyards helped preserve freshness and aromatic complexity. Harvesting allowed for the delivery of healthy, well-balanced grapes to the winery, with a high qualitative profile.

The Lugana DOC Oasi Mantellina is a wine with great sapidity and complexity. It finds its perfect pairing with sushi and sashimi, but also with Mediterranean dishes such as pasta with clams or vegetable and spice couscous. It is perfect paired with sea fish, such as salt-crusted sea bass or sea bream with Mediterranean herbs.
